## Verse 1

**F**  
Your Spirit is a wind; Unbound by time or space  
**C**  
You drive out the air of doom, give the devil chase.  
**Gm**  
You carry love to broken homes, and crime-filled streets,  
**Bb**  
You share the power of the cross, to bring us to Your feet.

## Verse 2

You blow in halls of power, where Wrong passes for Right,  
Expose the darkness, bring sin to light;  
You sweep into a brothel, and snuff the fire of lust;  
You lift the fallen woman, with a kindness she can trust.

## Chorus 1

**F**  
Lord, Your wind will blow, and Your freedom ring,  
**C**  
All around the world, shaking everything;  
**Gm** **Bb** **F**  
Unveil our hearts, to behold You through Your Spirit ...  
**F**  
Blow the strongholds down with a mighty breeze  
**C**  
Til the lost are found and the slaves are free  
**Gm** **Bb** **Dm**  
Unveil our hearts, to behold You through Your Spirit

## Verse 3

You ripple through a graveyard, and comfort the bereft  
With promise to free Your own taken in death  
You're the Father's Seal, His Guaranty  
Of life with Christ for all eternity!  
(Chorus 2)

Lord, Your wind will blow, and Your freedom ring,  
**C**  
All around the world, shaking everything;  
**Gm** **Bb** **F**

**F**  
Blow the strongholds down with a mighty breeze  
**C**  
'Til the lost are found and the slaves are free
